

*Aims and Purposes
of the
American Clematis Society*

To improve and promote the understanding and the knowledge of clematis growth through its meetings, publications, and the exchanges of individual experiences.

We want to make the Clematis as "Recognizable as the Rose".

*American Clematis Society
established in 1996*

For More Information
About the A.C.S.

Join the American Clematis Society

Four times a year we publish *The Clematis Chronicle*. This electronic journal includes informative how-to articles and tips on clematis culture, cultivar descriptions, book reviews, updates, communications from members and much more. Your membership entitles you to access to our website's "Member's Only" section, answers to personal questions regarding your clematis, participation in meetings and discounts.

Membership*

Single membership annual fee \$20.00

Two person household membership annual fee \$22.00

Foreign membership annual fee \$20.00

Friends of the ACS annual fee \$50.00

Corporate membership annual fee \$100.00

Dues are tax-deductible

*We currently use the calendar year January 1st to December 31st for members who join by mail. We send our mail subscribers a membership packet as well as emailing them the current year's back issues of our electronic journal. For members who join via our website, your membership expires on its anniversary date. Along with your membership packet, you will receive the most recent edition of our electronic journal.
